

# Privacy Policy - Eventix

When visiting the website, or page where the Eventix ticket selling module is integrated into the site your IP address is saved. This information is used to individualise the page for each visitor. The information may only be used internally and will not be forwarded to other organisations for commercial benefit.

## **Cookies**

Eventix uses cookies to ensure you can continue where you left off if you revisit our ticket selling module. These cookies remain active for four weeks.

## **Sending data**

If we transfer or receive data on our website, we will always use coding technologies that are recognised as a suitable standard in the IT-sector. We have taken the necessary safety measures to prevent the loss, unjust use and the alteration of information on our website.

## **Data ticket sales**

In the case of a sale, Eventix will save your information in our database. Information of the buyer will become the property of the selling party. Eventix.nl has access to this information but will not share this information with third parties.
